Sai Vanam, MD

EXPANDING OUR REACH

Salma Patel, MD, MPH, joins the Sarver Heart Center

Dr. Salma Patel is an Assistant Professor of Medicine at the University of Arizona. She is a board-certified Sleep Medicine Physician-Scientist. Most of Dr. Patel's contributions to science are in the area of Sleep Medicine, Cardiology, and Vascular Medicine. She studies cardiorespiratory interactions in obstructive sleep apnea. Her work is supported by grants from the American Academy of Sleep Medicine Foundation, National Institutes of Health, Department of Defense, and the University of Arizona Health Sciences.

Shawn Youngstedt joins the Sarver Heart Center

Shawn Youngstedt is a professor in the Edson College of Nursing at Arizona State University and a research professor at the University of Arizona. He has been a sleep and circadian rhythms researcher since 1992. At UArizona, he is working on a Department of Defense funded study of ways to adjust to jet lag. His work has also been funded by the National Institutes of Health, Centers for Disease Control and Prevention, and Veterans Affairs.

Grand Rounds Return

Elizabeth Juneman, MD, represented the College of Medicine - Tucson Division of Cardiology and the Sarver Heart Center by presenting at a Dept. of Medicine Grand Rounds "Cardiomyopathies: Is it in the Genes?"

Land Acknowledgment

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O'odham and the Yaqui. Committed to diversity and inclusion, the University strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
